

2010 USA Junior Olympics & Senior National Championships

With over 4000 competitors in attendance at this year's 2010 Junior Olympics & Senior National Championships held in Orlando, Florida, our school did an amazing job! With many of us being rookies at this year's Junior Olympics, our team surprisingly pulled out an amazing amount of medals at the event! Two of our veteran competitors came back with the gold medal in the Black belt world class sparring divisions. Master Andrew Oh (Senior Male Bantam Weight) and Mr. Dylan D'sa (Cadet Male Heavy Weight) both placed 1st at the event, claiming the title of USA National Champion and ranked #1 in the USA! Our full team results for this year's event are as followed:
